How will the pre-paid registration option work?

Many of our Affiliate members stated they would like to have the option to go ahead and pay for their event registrations with their bundled sponsorship. We listened... Now bundled sponsors can not only pre-register themselves for our events, but also register any GAPPT member-colleague, **AND** receive an additional 10% discount off the registration rate!

What happens if I've pre-paid for my registration and cannot attend the event?

No worries! Our regular refund policy will apply to any pre-paid registrations. Please note that due to our member-discounted rates, a pre-paid registration cannot transfer to a colleague who is not a GAPPT member.

Does the 10% discount for registrations apply even if I don't pre-pay with my bundled sponsorship?

Yes. Please just contact info@gappt.org or 470-970-8830 when you or a GAPPT member-colleague are ready to register for the event. We will ensure you receive your bundled sponsor discount.

I'm interested in adding a Braves Event Home Run Sponsorship. Why am I limited to purchasing only two registrations?

Due to space constraints, Affiliates are limited to just two members per firm for this popular networking event.

How do I find out price options or arrange to purchase a bundled sponsorship?

Because of the various options available, bundled sponsorships must be purchased by contacting the GAPPT at info@gappt.org or 470-970-8830. We will be happy to customize a sponsor package for you and send further details. **Bundled sponsorships are available only until February 18, 2026.** Don't wait to take advantage of all the additional benefits and discounts!
